

1968
CALIFORNIA QSO PARTY
NORTH HILLS RADIO CLUB, INC.
K6IS

Attached are the results of the 3rd Annual California QSO Party. The North Hills Radio Club is proud to be sponsor of this annual affair that was originated by the Claremont Ham Club. The 4th Annual California QSO Party will be held October 4-6, 1969.

There seemed to be a large percentage of Los Angeles County stations on during the contest. K7WWR claimed that 30 out of 50 stations worked on 20 meters were from L A county. The following breakdown by California ARRL Sections should explain why:

Los Angeles	13,991	San Francisco	3,211
East Bay	3,357	San Joaquin Valley	1,933
Orange	4,393	Santa Barbara	1,689
Sac'to Valley	2,276	Santa Clara Valley	5,603
San Diego	3,077		
		Total	39,530

This gives Los Angeles County roughly 35 percent of the amateurs in the entire state of California. Source ARRL Annual Report for 1967.

The North Hills Radio Club may activate K6IS for the 1969 party possibly from Sierra County, so that may be a new one for many of you county hunters.

Thanks to all stations who participated and a special thanks to those of you who submitted logs--the first one received from WB6UIE.

Clif Evans, K6BX, 3212 Mesa Verde Road, Bonita, California 92002, publishes the "Directory of Certificates and Awards" which lists most of the awards issued throughout the world.

The North Hills Radio Club would be interested to know what counties you fellows need. May be we can get a few of those rare ones activated this October.
