SOAPBOX : First time in the CQP! I've always had something conflicting with this weekend but came up with some free time this year. So, I had a great time and came very close to the 58 counties. I'll be back!

SOAPBOX : I had to do hand logs because of Puter birdies at LW7DX's place. My apologies to all the poor souls that worked me as a dupe. I had to fight tooth and nail for every Q there. It'd be nice if DX stations were worth 2 or 3 points for CA. I don't mean a "MULT" because it's a CA contest, but just give them some points or something, to encourage working DX. I re-typed the 395 q's into CT as post contest, but the silly thing didn't compute the mults. Well, I just had a nice time working old friends, and trying to find out who was who, using those cool 1X1 calls. BTW: the LW7DX call sucked! I got called W7DX, NW7DX, KK7DX, and all other possible and some impossible combinations.

Favorite call sign worked: OK2PAY. Most excitement: A tie between 100+ rate for a long stretch on 40CW, getting QSO #1 from VE2WP for the sweep, and having a big brown bear walk about 20 feet away from us while we were taking down the antennas.

I am happy I caught the last two CA counties: Mendocino and Trinity. Thanks for the excellent operating ability of all CA stations!
