Working this year was a bit of a challenge, Especially since K6AAA was operating about a mile away with a bit of power! I still pulled out a clean sweep and over 1000 as a SOLP entry, but I sure wasn't expecting to hear AAA on this year!! Next year I'll come back even stronger with bigger and better equipment, or at least just get the audio problem worked out on 15!! Had a great year, thanks to all who made it possible.
