Congratulations to the winning clubs!

The following pages contain the scoring details for every participating US/VE/DX club. Bonus points count for each station that made at least 10 claimed QSOs (before log checking). If you don't find your callsign or club listed, it means one of the following six possibilities:

- You were a home station and did not operate within your club's 250-mile radius circle. We made an effort to include all your club's participants within this distance.
- You were not listed on your club's roster or ARRL eligibility list.
- You did not state your club when you submitted your CQP 2024 log.
- You were a checklog.
- You used a club abbreviation and we could not determine the club.
- You specified a club that is a national organization or a club without a geographic basis, and/or a regional club that does not hold regular in-person or remote meetings. Examples: CWops, Long Island CW Club, NAQCC, SKCC, DARC, ARI.
